- Meeting of this committee will be held once in six months.
- Identify the cases of students who are sexually exploited at home or outside the home without making children very much aware about it.
- Some important suggestions and decisions taken in the first meeting as follows:
 - Awareness for fortnight should be given to the students to make them aware about sexual offences and how to handle about it.
 - Awareness can be given by the class teachers during assembly periods by showing videos like good and bad touch.

c) A complaint box / suggestion box/help box should be made with the help of art and craft teacher in which the students can mention their problems on a paper and put the chit in this box.

This box will be checked by the committee members every day.

d) The complaint box should be designed in a way that it cannot be opened by anyone except the committee members.

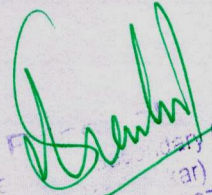

e) The spot where the box is kept should be reach in the camera where the recording is always on.

4. All the committee members should be supervising that the class teachers are showing the general awareness videos to the students.

5. Supervisors should speak to their respective class teachers and make them aware about it.

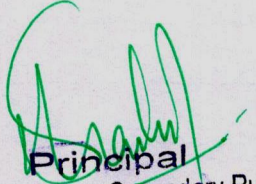

6. The assembly time should be utilized for showing the general awareness videos.

7. The Committee members also should take 5 - 10 minutes to talk briefly with the students in their free time very consciously.
