From Director's Pen

Dear Parents,

It is with great pleasure that I welcome you to Gurukripa Public School, a place where education goes beyond textbooks to nurture young minds with knowledge, values, and skills for the future. Our school is dedicated to academic excellence, character building, and holistic development, ensuring that every child reaches their full potential.

At Gurukripa Public School, we believe in fostering a learning environment that encourages curiosity, creativity, and critical thinking. Our experienced faculty and state-of-the-art facilities are designed to provide students with the best opportunities to grow intellectually, socially, and emotionally. We emphasize a balanced approach to education, integrating academics, sports, and extracurricular activities to create well-rounded individuals.

Parents play a crucial role in this journey, and we value your partnership in shaping the future of our children. Together, we can provide them with the guidance, encouragement, and support they need to excel in all aspects of life.

We invite you to be part of our vibrant school community and look forward to working together to create a bright future for our students.

Warm regards
Mr. Rakesh Kularia

- The names of the children seeking admission for class Nursery to XII (Science) to the school are registered from last week of January to March.
- Based on the performance of the entrance test, qualified candidates will be called for interview. Based on the performances of both, the candidates are granted admission to the class.
